MEMORANDUM FOR: Executive Officer, DDA

Executive Registry

Bob -

I sent your people's very good job over to DDO for comments. Their minor recommendations are cited on the attached cover sheet. Would you ask your specialists to add them in and then send something over in final form for DDCI to sign? Think this will be most welcome.

Thanks,

1.	EA/DDO	BS 7 AUG 1976				The attached draft notice looks okay to me. I would suggest adding the OGC to para 2 in order to have this notice track with <input type="text"/> (copy attached). I also suggest an addition in para 2 that would permit the DDS&T to attend OAG Working Group meetings when proposals under his jurisdiction are under discussion <input type="text"/> <i>Agree</i> <i>W</i>

Remarks: 1 - Ben Evans tells me that the DCI wants to see all NODIS's and he therefore assumes you will want to see 'em all too. Ordinarily, I wouldn't bother you with something like this. Please provide guidance.
